

“Learn, Refresh, Affirm”

Welcome to the **Cornering Confidence** program. Please read this information thoroughly to understand the goals and expectations of the courses provided by Street Skills LLC.

Registered participants may receive additional information or clarifications before the course. Jon’s goal is to provide you with more than just a fun skill-building experience. Street Skills LLC aims to build a community of skill-seeking riders and friendships.

Student Course Information and Expectations

General Information

- **Rider safety is the #1 priority.** Keep in mind that the stipulations included in this document are to ensure we all go home healthy and happy. Mishaps impact everyone, not just the afflicted rider.
- Street Skills LLC “trail braking camp” courses are American Motorcyclist Association sanctioned parking lot and/or small racetrack training events. They are condensed learning opportunities designed to increase confidence and proficiency in a short period of time. Participants will be presented with a progression of skills and techniques for reflection and further practice. Riders will a) *learn* something new, b) *refresh* previously learned skills, or c) *affirm* they ride with advanced skills.
- Street Skills LLC courses are different from other lot or track course providers in the following ways:
 - Max class size is 8.
 - Typical courses are full-day, eight (8) hours in length.
 - Small displacement street legal motorcycles are provided to students.
 - The **Cornering Confidence** course teaches strategies for exceptional motorcycle control, with less focus on situational awareness concepts.
- Participants must be over 18 and have motorcycle license endorsement.
- Max height: 6'6", Max weight: 275 lbs. (*Tip: sit on a Honda Grom or Kawasaki Z125 at a local dealer to see if you fit on the course bikes*)
- These courses DO NOT teach fundamental riding skills. The MSF Basic RiderCourse is the best route for novice riders. Street Skills LLC courses are for riders with multiple years of riding experience that have solid foundation skills and are ready to increase proficiency.
- Participants may have a wide range of skill levels. Be courteous.
- Questions, comments or concerns at any time during the course? Bring them to the Street Skills LLC staff immediately.

Instructional Methods

- The basic format of the trail braking camp course:
 - Start class discussing skills near, but off the motorcycles in a closed paved area
 - Ride the school provided motorcycles and directly practice the skills discussed previously
 - Dismount and debrief previous riding session
 - Discuss next set of skills
 - Ride and Repeat until conclusion of course

Pre-Course Statement and “Road Rules”

“The goal of this course is to develop techniques to increase participant enjoyment, confidence and safety while riding a motorcycle. Keeping riders safe from harm during the course is the number one priority. If at any time you feel it necessary to stop, pull off in a safe location. If at any time a participant affects the safety of others, the instructor may dismiss them from the course.”

These are the “Road Rules” used during the course:

- Do not sacrifice safe motorcycle operation over practicing a new skill.
- If at any time you want to stop, pull over at the first safe opportunity.
- Enter and exit the training area only at designated locations.
- Racing and aggressive riding are not permitted.
- Keep adequate space and following distance from other riders.
- Full gear must be worn when operating the motorcycles.
- Alert the instructor immediately with any motorcycle defects.
- Do not abuse the school’s motorcycles, as student may be responsible for related damages.

Gear & Insurance

- Minimum gear requirements: Full-face (or modular) DOT helmet, motorcycling-specific jacket, jeans, gloves and boots. *Armored motorcycling-specific pants, as well as any other favorite protective gear, is recommended.*
- Contact Jon directly with any gear questions.
- It is mandatory that every rider have appropriate medical insurance for this type of activity at the time of the course. Disability insurance coverage is strongly recommended.
- Participant health conditions affecting the safe operation of a motorcycle must be discussed with Street Skills staff before the course.
- No alcohol is to be consumed before or during a course.

Registration, Payment & Refunds

- Registration is available at CorneringConfidence.com or by directly contacting Street Skills.
- Payment is expected at the time of registration via credit card. US check (or money order) payable to “Street Skills LLC” is welcomed. Cash accepted only in face-to-face transactions.
- Weather: These are rain or shine events (no weather refunds). We will stop riding if lightning. Be prepared for wet weather with waterproof gear on hand. Be prepared for extreme temperatures in

heat or wind. If the weather is very hot, previously stated riding gear will still be required to participate.

- Refunds: This policy is standard industry practice among driving schools. The following applies to any reason for *student* cancelling or rescheduling:
 - Course payment locks in your spot.
 - If you cancel or reschedule 15 days or more before your scheduled date(s), you will get a 100% refund (*minus any credit card service fees if applicable*).
 - If you cancel or reschedule between 8 to 14 days before your scheduled date(s) you will receive a 50 % refund (*minus any credit card service fees if applicable*).
 - If you cancel between 0 to 7 days before your scheduled date(s) you will lose your entire school tuition payment, this includes “no shows” on the day of the course.
- Cancellation: If the event is cancelled *by Street Skills* for any reason at any time, a 100% refund will be issued to all paid registrants immediately.

Course Incentives

- Participants often receive liability insurance discounts on their motorcycle auto *and* vehicle coverage
- BMW MOA Scholarships available (up to \$250, non-members eligible for \$100, check with BMW MOA Foundation for details, must apply 30 days in advance of course date)
- 40% AMA new membership discount price: \$29
- Potential MSTA Dan Clark Safety Program reimbursement
- Street Skills LLC track courses approved for GWRRRA Levels Program

Please don't hesitate to call Jon with any questions or clarifications.
